## Major in Bilingual and Multicultural Education

### GRADUATE PROFESSIONAL PROFILE

In the Master's Degree in Bilingual Education, Major in: Bilingual and Multicultural Education professionals are given the necessary knowledge to work competently as teachers in bilingual and multicultural schools. This professional has the skills to offer an effective education, to develop educational systems of higher quality for all and to play a leadership role in the classroom and school by increasing the educational opportunities and the access to the workplace for second language learners and their families. He is also able to play the roles of planner and designer of study and instructional programs that respond to the racial, cultural, linguistic and social class differences that facilitate learning, presenting innovative and didactic proposals.

### GRADUATE ENTRY REQUIREMENT

#### Undergraduates:

Applicants who completed a bachelor degree issued by a national or foreign higher-education institute.

#### Not completed studies:

Graduate applicants who did not complete a master degree program and have official transcripts from studies issued by national or foreign higher-education institution who want to get credit transfer for recognition of prior learning from other universities.

### GRADUATE ENTRY REQUIREMENT

- Bachelor degree issued by a national or a foreign higher-education institution.
- Official transcripts (only for applicants with prior uncompleted master degree studies who require academic credit transfer from other national or foreign higher-education institution).
- Valid identification (citizen ID or passport for foreign citizens).  
Proof of admission and registration fees payment.

### IMPORTANT NOTES

- Official transcripts and degrees issued by foreign university education institutions must have the corresponding legal translation (this requirement has to be processed by the applicant).
- Official transcripts and degrees issued by foreign university education institutions must have the certification issued by a credential evaluation agency accredited in the United States for recognition of international education qualifications (this process is managed by FGU).
