Economic Relations

Licensed by  
Florida Department of Education  
Commission for Independent Education  
License #3180

## GRADUATE PROFESSIONAL PROFILE

The graduate from the Master of Business Administration, major in International Economic Relations, has the potential ability to engage with academic and research activities, skills to work in government agencies related with the formulation of international insertion and the respective negotiations. He takes part in internationalization and negotiation issues in business institutions to develop the professional practice in trade and international finance.

## GRADUATE ENTRY REQUIREMENT

### Undergraduates:

Applicants who completed a bachelor degree issued by a national or foreign higher-education institute.

### Not completed studies:

Graduate applicants who did not complete a master degree program and have official transcripts from studies issued by national or foreign higher-education institution who want to get credit transfer for recognition of prior learning from other universities.

## ADMISSION REQUIREMENTS

- Bachelor degree issued by a national or a foreign higher-education institution.
- Official transcripts (only for applicants with prior uncompleted master degree studies who require academic credit transfer from other national or foreign higher-education institution).
- Valid identification (citizen ID or passport for foreign citizens). Proof of admission and registration fees payment.

## IMPORTANT NOTES

- Official transcripts and degrees issued by foreign university education institutions must have the corresponding legal translation (this requirement has to be processed by the applicant).
- Official transcripts and degrees issued by foreign university education institutions must have the certification issued by a credential evaluation agency accredited in the United States for recognition of international education qualifications (this process is managed by FGU).
